Company Profile

We have the honor to present our website catalogue of Surgical Instruments, Dental Instruments, Ophthalmic Instruments and Holloware for your perusal reference.

We take this opportunity to introduce our self as CARE MEDICAL SUPPLIES is leading Manufacturers & Exporters of all type of Surgical, Dental, Ophthalmic Instruments & Holloware. We are running our business very successfully from last one decade and growing day by day with our excellent quality products and customer satisfaction approach. The company manufactures over 6000 products and is dedicated to provide supreme quality and service. All our administration and sales staff are highly trained, which enables us to continuously monitor and achieve complete customer satisfaction.

QUALITY ACHIEVEMENTS:

It is added that our company is also holder of certificates of international quality standards such as ISO-9001:2000, cGMP & CE Mark, which reflects the quality service of our instruments. We are interested not only to sale our products but also build a good and long-term relationship with our customers.

QUALITY POLICY:

CARE MEDICAL SUPPLIES is guaranteed for quality instruments. We have better workmanship and correct design. Products are tested at each stage of manufacturing to last stage of packing / dispatch to ensure proper working of the instruments. We at CARE MEDICAL SUPPLIES has an endeavor to increase market share and are committed to continually improve the effectiveness of quality management systems of our instruments by meeting the requirements of our customers. Throughout manufacturing we maintain complete traceability for all materials used. We therefore feel that our quality system is very effective and it helps us to maintain our tradition of only Producing Quality Products.

OUR MISSION:

Our mission is to provide premium quality, value and innovation to our customers in order for them to achieve maximum return on their investment. we try to achieve by utilizing effective corporate practices, efcient teamwork and synergetic organization culture. each individual in our team shall work towards total quality culture aiming for customer satisfaction.

Care Medical enjoy a very satisfactory position for dental instruments when we take a broader view of the products we offer our customers. We are focused on delivering the highest quality product and service in the dental industry in order to help dental professionals perform at their best.

Quality & Standards:

We have been honored with ISO 9001:2002, ISO 13485:2003 Certificates & Authorized CE Marking. We are FDA and SFDA Certified. We developed and manufactured in compliance with the most Stringent Quality requirements, from the initial selection of corrosion resistant chrome steel and the manufacturing and heat treatment right through to the final finish, inspection and testing.

Guarantee:

We believe in outstanding quality and durability so all the products we offer cover's international Guarantee in connect with appropriate and professional use.

R&D:

The Passion and the Desire to make surgeries as smooth and as easy our department continue to developed products that matters in health sector today. This will of continues struggle comes from our relationship as a human beings. We are committed to bring out the best solutions for our customers.
