

**CARE MEDICAL**  
SUPPLIES

*" Your Health Our Priority "*

**OPHTHALMIC**  
INSTRUMENTS  
CATALOGUE

## Company Profile

We have the honor to present our website catalogue of Surgical Instruments, Dental Instruments, Ophthalmic Instruments and Holloware for your perusal reference.

We take this opportunity to introduce our self as CARE MEDICAL SUPPLIES is leading Manufacturers & Exporters of all type of Surgical, Dental, Ophthalmic Instruments & Holloware. We are running our business very successfully from last one decade and growing day by day with our excellent quality products and customer satisfaction approach. The company manufactures over 6000 products and is dedicated to provide supreme quality and service. All our administration and sales staff are highly trained, which enables us to continuously monitor and achieve complete customer satisfaction.

### **QUALITY ACHIEVEMENTS:**

It is added that our company is also holder of certificates of international quality standards such as ISO-9001:2000, cGMP & CE Mark, which reflects the quality service of our instruments. We are interested not only to sale our products but also build a good and long-term relationship with our customers.

### **QUALITY POLICY:**

CARE MEDICAL SUPPLIES is guaranteed for quality instruments. We have better workmanship and correct design. Products are tested at each stage of manufacturing to last stage of packing / dispatch to ensure proper working of the instruments. We at CARE MEDICAL SUPPLIES has an endeavor to increase market share and are committed to continually improve the effectiveness of quality management systems of our instruments by meeting the requirements of our customers. Throughout manufacturing we maintain complete traceability for all materials used. We therefore feel that our quality system is very effective and it helps us to maintain our tradition of only Producing Quality Products.

### **OUR MISSION:**

Our mission is to provide premium quality, value and innovation to our customers in order for them to achieve maximum return on their investment. we try to achieve by utilizing effective corporate practices, efcient teamwork and synergetic organization culture. each individual in our team shall work towards total quality culture aiming for customer satisfaction.
